To Whom It May Concern:

I am writing on behalf of the Riverside Free Clinic to request support for our mission. The Riverside Free Clinic (RFC) is a non-profit organization committed to providing free, sustained, and long-term medical care to members of our underserved community in the Inland Empire. RFC has been serving the community for over 10 years as a member of the National Association of Free Clinics and operates every other Wednesday from 5:00 P.M. to 11:00 P.M. at the First Congregational Church of Downtown Riverside.

RFC's diverse patient base is comprised of unique individuals from all walks of life that struggle to receive healthcare. Often times, our patients are from socioeconomically challenged backgrounds and find great difficulty in being able to afford basic necessities. For these members of our community, the Riverside Free Clinic is the only reliable and accessible source of follow-up medical care and prescribed medications.

The volunteer staff of RFC includes students from the following institutions: University of California, Riverside (Medical & Undergraduate), Loma Linda University (Pharmacy), Keck Graduate Institute (Pharmacy), Western University (Pharmacy & Dentistry), University of Redlands (Mental Health), and Riverside Community College (Nursing). These students collaboratively operate the clinic under the close supervision of licensed clinical faculty from each institution who dedicate their time to look after our underserved community. RFC proudly offers services in primary care, mental health counseling, dental hygiene, diabetes management, social working, smoking cessation, women's health, hygiene, stress relief, blood work, and nutritional health education.

As our clinic navigates through this unprecedented pandemic, we need your support now more than ever. We humbly ask that you consider supporting our cause with a donation of goods, services, or a direct monetary contribution. Should you decide to help support our cause, please address your tax-deductible donations to:

Riverside Free Clinic c/o Donna Wing, P.O. Box 1648, Riverside, CA 92502.

On behalf of the Riverside Free Clinic and the patients we provide for, please accept our sincere thanks and gratitude. As a token of our appreciation, all contributions will be recognized in our pamphlets and brochures which are distributed throughout the community. Your consideration in supporting our efforts to provide free, accessible healthcare to our underserved community members is deeply appreciated.

Respectfully,

Arya Sherafat

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

For important information about your responsibilities as a tax-exempt organization, go to [www.irs.gov/charities](http://www.irs.gov/charities). Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.

Sincerely,

Director, Exempt Organizations
